

## CryoSat 2013 Workshop List of Participants

| <b>Name</b>            | <b>Company</b>                                     | <b>Country</b> |
|------------------------|--|----------------|
| Abdalla, Saleh         | ECMWF  | UNITED KINGDOM |
| Adamson, Kate          | ESA  | GERMANY        |
| Adarkwa, Romeo Edem    | TELESAT GHANA LIMITED                              | GHANA          |
| Adil, Hakeem Khan      | Govt.Kasturba College Jiwaji University Gwalior Gu | INDIA          |
| Armitage, Tom          | University College London                          | UNITED KINGDOM |
| Arthur, Mark Nsarko    | TELESAT GHANA LIMITED                              | GHANA          |
| Baker, Steven          | UCL-MSSL   | UNITED KINGDOM |
| Bamber, Jonathan       | Bristol Glaciology Centre                          | UK             |
| Beckers, Justin        | University of Alberta                              | CANADA         |
| Benveniste, Jerome     | ESA  | ITALY          |
| Bercher, Nicolas       | LEGOS/CNRS   | FRANCE         |
| Bolch, Tobias          | Technische Universität Dresden                     | GERMANY        |
| Bonekamp, Hans         | EUMETSAT   | GERMANY        |
| Bosch, Wolfgang        | DGFI   | GERMANY        |
| Bouzinac, Catherine    | RHEA   | ITALY          |
| Briggs, Kate           | University of Leeds                                | UNITED KINGDOM |
| Brockley, David        | UCL  | UNITED KINGDOM |
| Burkert, Stefan        | TU   | GERMANY        |
| Busch, Peter           | TU   | GERMANY        |
| Chassetuillier, Léon   | UPMC   | GERMANY        |
| Cipollini, Paolo       | National Oceanography Centre                       | UNITED KINGDOM |
| Comparetto, Carmen     | ESA  | ITALY          |
| Cotton, David          | SatOC Ltd  | UNITED KINGDOM |
| Cullen, Robert         | ESA  | NETHERLANDS    |
| Davidson, Malcom       | ESA  | NETHERLANDS    |
| Dechambre, Monique     | LATMOS   | FRANCE         |
| Dehecq, Amaury         | Institut de Physique du Globe de Strasbourg        | FRANCE         |
| Deligny, Bernard       | Thales Alenia Space France                         | FRANCE         |
| Dettmering, Denise     | DGFI   | GERMANY        |
| Didova, Olga           | TU Delft   | NETHERLANDS    |
| Dietrich, Reinhard     | TU Dresden   | GERMANY        |
| Dinardo, Salvatore     | SERCO  | ITALY          |
| Donlon, Craig          | ESA  | NETHERLANDS    |
| Drinkwater, Mark       | ESA  | NETHERLANDS    |
| Egido, Alejandro       | Starlab Barcelona                                  | SPAIN          |
| Engdahl, Marcus        | ESA  | ITALY          |
| Esselborn, Saskia      | GFZ Helmholtz Centre Potsdam                       | GERMANY        |
| Ewert, Heiko           | Institut fur Planetare Geodasie                    | GERMANY        |
| Femenias, Pierre       | ESA  | ITALY          |
| Fenoglio-Marc, Luciana | Technische Universität Darmstadt                   | GERMANY        |
| Fernandes, M. Joana    | Univ. Porto  | PORTUGAL       |
| Fernandez, Diego       | ESA  | ITALY          |
| Fletcher, Kirsten      | Getech   | UNITED KINGDOM |
| Fornari, Marco         | ESA  | NETHERLANDS    |
| Forsberg, Rene         | Technical University of Denmark                    | DENMARK        |
| Francis, Richard       | ESA-ESTEC  | NETHERLANDS    |
| Fritsche, Mathias      | TU Dresden   | GERMANY        |
| Frommknecht, Bjoern    | ESA  | ITALY          |
| Galin, Natalia         | NOAA   | UNITED STATES  |
| Garcia, Emmanuel       | Scripps Institution of Oceanography                | UNITED STATES  |
| Gerland, Sebastian     | Norwegian Polar Institute                          | NORWAY         |
| Giles, katharine       | UCL  | UNITED KINGDOM |
| Glaser, Susanne        | TU   | GERMANY        |

|                         |   |                |
|-------------------------|---|----------------|
| Gommenginger, Christine | NOC   | UK             |
| Göring, Olaf            | SpaceTerra Communications                       | GERMANY        |
